

PULPIT ROCK SPORTS CAMP PRAYER PLAYBOOK

T: THANKING GOD FOR THE GIFT OF CAMP *Monday*

Lord, thank you that you have given us the financial means and the willingness of peoples' hearts to lead and connect with the kids who are attending and the PRiSM students who are serving! Let us come together as your church and use our gifts to represent you well in the care for families of Pulpit Rock and the community.

E: ENERGY, ENCOURAGEMENT, ENGAGEMENT *Tuesday*

God, we recognize the extensive planning and time commitment (physically and mentally) this is for our leaders. We ask that you fill our leaders and Youth On Mission with extra energy this week. Let them find ways to encourage one another and to come to you for rest. Grant them grace in their work and family commitments during the week so that they may fully engage with campers.

A: ACKNOWLEDGE AND ACT *Wednesday*

As our leaders share your love all week and especially as they begin an intentional conversation on Wednesday about choosing and following Your Son, we pray that hearts would be opened to understand and acknowledge our deep need for you. Lord, we pray that words would be used that would easily lead kids to act to begin a life running after you. Give our leaders courage and wisdom in the conversations!

M: MAINTAIN RELATIONSHIPS *Thursday*

Lord, we know our leaders and our students have made special connections with kids and their families this week! We know that you've used their words to connect kids to you and even new families to our church for fellowship! Your church has drawn close to you and to one another in service. We pray for ways to continue to deepen and strengthen all of the foundational relationships that have begun this week.
