### **Reflection & Discussion Questions**

#### **Habakkuk says to God – What is happening doesn't seem right**

God says – I know. I see it. I'm in control and will make it right...just not yet.

\*Where are you more naturally focused, present, future or past?

#### **Faith is waiting**

Waiting is a really big part of being the people of God.

Read and discuss Habakkuk 2:1-4(NIV)

In addition, read Romans 1:17; Galatians 3:11; and Hebrews 10:38

*I will stand at my watch*

*and station myself on the ramparts;*

*I will look to see what he will say to me,*

*and what answer I am to give to this complaint.*

<sup>3</sup> *For the revelation awaits an appointed time;*

*it speaks of the end*

*and will not prove false.*

*Though it linger, wait for it;*

*it will certainly come*

*and will not delay.*

<sup>2</sup> *Then the LORD replied:*

*“Write down the revelation*

*and make it plain on tablets*

*so that a herald may run with it.*

<sup>4</sup> *“See, the enemy is puffed up;*

*his desires are not upright—*

*but the righteous person will live by his faithfulness—*

\*What do you see about people in these passages? About God?

\*What do they say about waiting and how it's connected to faith?

\*Do they invite you to do, think, or change anything in your life? What questions are prompted in you?

#### **Waiting is about learning to think about time like He does**

God relates to us as if we are eternal, because we are.

\*Is there something in your life you are waiting for?

\*How could it change your waiting to view it in God's timeline?

#### **Waiting is worship**

Waiting with God does something good to our soul.

\*Why would waiting with God be formational? Has waiting formed you?

\*When have you seen His presence in your waiting? What hope does Habakkuk's experience give you?
