### Reflection & Discussion Questions

**If the Minor Prophets had one message for the people it was: Trust the God of love to build a nation centered on love, mercy, compassion, and justice**

They each said it in different ways, speaking to the specific issues of their time.

\*What surprised you in the Minor Prophets series?

\*What were some of the broad take aways from the prophets in general?

\*Was there a prophet that you learned something specific from?

**The prophets teach the utter hopelessness of all human societies**

And they teach the intense beauty of the society of God's kingdom.

\*What have you learned from the prophets about what it means to be the people of God?

**We can build something – something independent of God...or we can put Jesus at the center**

There have only ever been 2 kingdoms, Babel and the Kingdom of God

Read and discuss Genesis 11:4(NIV)

*Then they said, "Come, let us build ourselves a city, with a tower that reaches to the heavens, so that we may make a name for ourselves; otherwise we will be scattered over the face of the whole earth."*

\*What are some examples throughout history and in your own life when we've tried to build something great independent of God?

\*Where are the places you are invested in human society? How is He involving you in this epic arc of building, living, and working in His name?

\*Where might he be asking you to make Him the center of your life?
