

Sunday School Stories Part 2

Sermon Discussion Questions

These questions can be used for each sermon in the series this summer

Do you remember this Bible story from growing up or hearing it some other time? What was your impression of its purpose or teaching prior to today?

What most stood out to you from this sermon? What are you still thinking about?

What questions came up that you want to dig into further?

What Scripture was used?

What do these verses show us about God and His character? What do they show us about people?

What would it have meant to the original hearers? What does it mean in context?

Is there an application of these verses for us today?

What are you hearing from the Holy Spirit about this topic? Is there a step or action you can move toward?

What does this mean for us as a community of believers?

How do you see this story in a different way than you may have previously?
