October Take Home Resource: Seasonal Work of the Holy Spirit

Set aside a couple of hours this month with *The Holy Spirt Wheel* and God.
Prayerfully ponder the words on the wheel: Which of these words most describe my experience this month?
Then, narrow it down - identify and circle the top 5. Notice the season(s) the words fall in.
Ask the Holy Spirit – How are you guiding me in this particular season?

Further Questions for Reflection:
What do I need to be aware of in this season?
Are there important truths or common lies at work in this season?
What practices seem the most helpful in this season?
Are there resources I could engage in this season?

Prayer to align WITH the work of the Spirit:
Holy Spirit,
You give life to my forming and I long to walk even closer in the ways you have for me. When I live into how you are working in and through me, I become more at peace, and I am shaped ever closer to how you created me to be.
Spirit, you work in all seasons, and I ask you to help me be attuned to the ways you are specifically acting in my life, right now. Help me to embrace this season – not being resentful or avoiding the place you are leading me. I know that you are FOR me and these circumstances are to help me mature and live for you and your kingdom.
Thank you for how you are animating my life. In your name I pray, amen.
